VIDYASHILP UNIVERSITY

India's Premier *Economics Program*

VIDYASHILP
SCHOOL OF LIBERAL ARTS & SCIENCES

B.A. (Hons.) in Economics

Why Choose B.A. (Hons.) / (Hons. with Research) at Vidyashilp University?

Our Economics program is thoughtfully curated to merge the principles of liberal arts with foundational and advanced economic theories, nurturing innovative thinkers and problem solvers.

VU offers BA (Hons with Research) for eligible students. Students opting for it undertake a supervised research project in their final semester, which makes them eligible to apply for a PhD program after their BA degree.

1. Multidisciplinary Foundation
2. Rigorous Economics Major
3. Unique Specialization Tracks
4. Interdisciplinary Minors
5. Advanced Analytical Skills
6. Experiential Learning Approach
7. Skill Development for Global Citizenship
8. Highly Qualified and Experienced Faculty
9. Engagement with the Incubation Centre

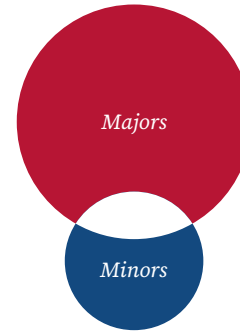

Course Distribution Across the Program

The undergraduate journey of an economics student at VU is carefully designed to ensure that the synergy of University Core, Program Foundation, and Major Discipline courses creates a transformative learning experience.

University Core

The **University Core** curriculum is designed to equip students with skills for effective problem-solving and responsible citizenship.

Program Foundation

The **Program Foundation** courses establish a strong groundwork for a multidisciplinary approach to Economics by integrating essential courses from various fields.

Economics Major

The **Economics Major** offers rigorous, practical, and quantitative courses that equip students to excel in professional roles and pursue advanced studies in their chosen fields.

Minor Discipline

Students have the opportunity to pursue **Minors**, fostering interdisciplinary learning and preparing themselves to solve real-world challenges.

Specialization Track

A key highlight of this program is the opportunity for students to choose a **Specialization Track** that aligns with their interests.

Research and Internship

Students are required to undertake **Research Projects and Internships**, providing them with market exposure and practical job experience.

PhD (Economics), IIT Bombay

Dr. Jyotsna Rosario
Assistant Professor
PhD (Economics),
Madras School of Economics

Dr. Taniya Sah
Assistant Professor
PhD (Economics),
IIT Delhi

Dr. Bipin Sony
Assistant Professor
PhD (Economics),
Madras School of Economics

KNOW MORE ABOUT OUR FACULTY

Shilpites Showcase

Pain Hustlers

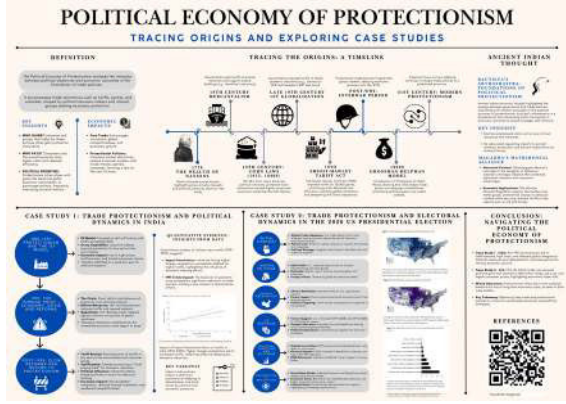

Focused on the economic challenges in healthcare, this project uses the drama **Pain Hustlers** and an Instagram reel from **Aiyyo Shraddha** to highlight how economic factors influence healthcare.

Political Economy of Protectionism

Examining the interplay between politics and trade policies, this project delves into the economics of protectionism, using case studies from India and the US.

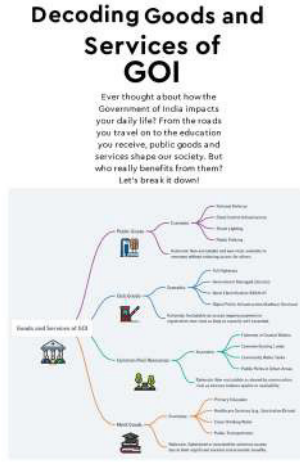

Government of India

The work dissects the role of essential services such as national defense, government libraries, and clean drinking water, highlighting their social and economic impacts.

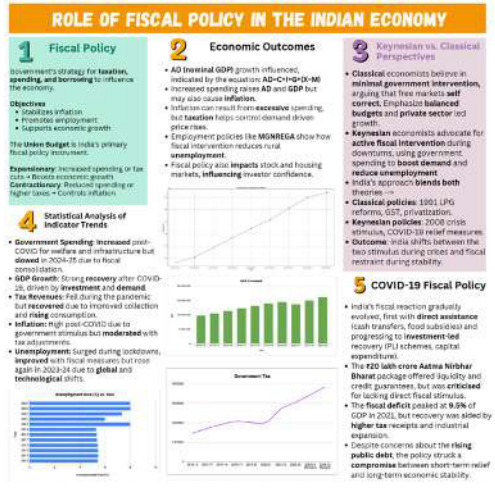

Velampalli Lalitha Sivajyothi and Anwesha Pal (BA Economics Major, 2024 Batch) presented a research paper on gender studies, at a conference organised by the Doon University, Dehradun.

Poster created by Tanushree - Economics Minor student, BMS Program, 2022 Batch - Public Economics course.

Role of Fiscal Policy in the Indian Economy

For his Macroeconomics I assignment, Vaidhav (BTech 2023, Economics Minor) transformed fiscal policy into a compelling, data-driven visual narrative, connecting economic theory with India's evolving policy landscape.

Student-led Discussion on Economic Survey 2025-26 and Union Budget 2026-27

First and third-year students from the Economics major and minor actively participated in discussions on the Union Budget on February 13, 2026.

In this session moderated by Dr. Jyostsna Rosario, Assistant Professor (Economics), students discussed India's latest fiscal blueprint, the multi-crore allocation for AI Centre of Excellence in Education, and the National Manufacturing Mission.

Workshops and Events

Through expert-led workshops and interactive events, students gain valuable insights into emerging areas of Economics, healthcare, and social well-being.

A selection of these workshops is given below.

Complex Policy Design: Disciplinary Boundaries Examined
Prof. P.G. Babu
Vice Chancellor, Vidyashilp University

Post Pandemic Experience and Lessons for Macroeconomic Policy
Prof. Ashima Goyal
Emeritus Professor, Indira Gandhi Institute of Development Research (IGIDR), Mumbai

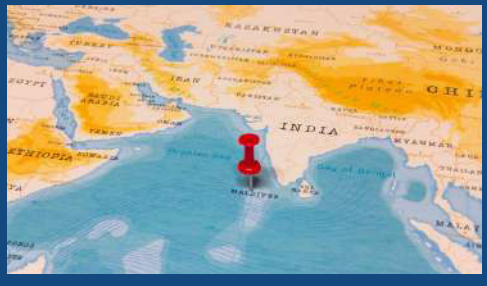

Monetary and Fiscal Policy during Covid: Lessons from India
Prof. Charan Singh
CEO, EGROW Foundation, Former Senior Economist, IMF and Former RBI Chair Professor, IIM Bangalore

An Overview of International Relations
Prof. Siddharth Mallavarapu
Professor, Department of International Relations and Governance Studies, Shiv Nadar Institution of Eminence

Indian Economy:
Journey So Far and Journey Ahead
Prof. N.R. Bhanumurthy
Vice Chancellor of Babasaheb Ambedkar School of Economics University

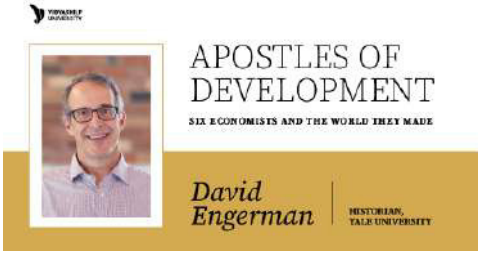

India in the Indo-Pacific
Dr. Roger Chi-feng Liu
Associate Professor of International Politics, Department of Social Sciences, FLAME University

Public Lectures by Eminent Academics

Corruption and Development : An Anatomy of Anti -Corruptions Strategies
Ajit Mishra, Professor & Head of Department of Economics, University of Bath

Apostles of Development: Six Economists and the World They Made
David Ingerman, Historian, Yale University

What Kind of an Economics Should We Want?
Sanjay Reddy, Professor of Economics, The New School for Social Research, New York

Career Opportunities

- Need-based scholarships
- Dean's Honors Scholarship
- Other Categories

₹ 28+ crore awarded in scholarships since 2022

How to Apply:

1. *Submission of the application*
2. *Evaluation of the application based on academic and non-academic profiles of the students*
3. *Interaction with academic counselor and expert committee*
4. *Portfolio and document evaluation if eligible for scholarship*
5. *Release of Letter of Selection*
6. *Admission confirmation after the payment of acceptance fee and fulfilment of eligibility criteria*

Know More

Our classes are very interactive, and the economics professors link what is taught in the classroom to the real world... I chose economics at Vidyashilp University because my ultimate aim is to work for a greater cause.

Cassia Phuleshe,
B.A. (Hons.) Economics

Message from the Dean

Liberal arts offer exciting frameworks for understanding the social, political, cultural, and economic institutions that shape our world. Drawing on perspectives from fields such as history, sociology, economics, philosophy, literature, and the arts, this approach encourages students to explore diverse ways of knowing. A liberal arts education fosters critical thinking, empathy, and a deeper appreciation of the complexity of society, preparing students to become thoughtful citizens, leaders and social observers.

The BA in Economics at the School of Liberal Arts and Sciences (SLAS), Vidyashilp University, is among the leading undergraduate programs in the country. Guided by highly qualified faculty, students build a strong foundation in the field of economics while gaining practical experience through internships.

As part of Vidyashilp University's vision of reimagining higher education, all undergraduate students take courses in the humanities and social sciences. This approach cultivates an interdisciplinary perspective while strengthening critical thinking, writing skills, and enhancing awareness about the complexities of Indian society and contemporary ecological challenges.

Wish you a fulfilling undergraduate journey at Vidyashilp University!

Chandan Gowda
Professor & Dean
