KNOW MORE ABOUT OUR FACULTY

Selected Student Work

Eco-Tility

Empowering sustainable living, the ECO-TILITY app blends augmented reality and object detection to help users create eco-conscious spaces. Addressing growing concerns about climate change, this app provides tailored recommendations for sustainable materials and plant placements, promoting environment-friendly choices for homes and offices.

Jholastic

Tackling global textile waste, JHOLASTIC repurposes old jeans into fashionable, eco-friendly bags. By addressing waste management and promoting sustainable fashion, JHOLASTIC offers a unique solution for consumers looking to reduce their environmental impact while staying stylish, all through a circular fashion model.

Nyaya Mitra

Focused on making legal services accessible, Nyaya Mitra aims to provide affordable legal solutions for low-income individuals and small businesses. The platform offers customizable legal templates, educational resources, and case management tools, all designed to democratize access to justice and empower vulnerable communities.

Planaro

Redefining event planning, Planaro is an AI-powered platform that simplifies coordination, budgeting, and guest management. With features like real-time guest tracking, virtual 3D event visualization, and sustainable event options, Planaro streamlines the planning process for both physical and virtual events, enhancing the overall experience for organizers and guests.

SmartSaver

Addressing food waste in the restaurant industry, SmartSaver is an all-in-one platform that integrates inventory tracking, demand forecasting, and automated food donations. By reducing waste and redistributing surplus food to local charities, SmartSaver helps restaurants increase profitability while contributing to social good, all within one seamless platform.

Internship Highlights

Here are a few of our student internships

5. *Result notification with the LOS*
6. *Admission confirmation after the payment of acceptance fee and fulfilment of eligibility criteria*

Know More

I was particular about finding a university that values hands-on experience over textbooks. That's why I chose VU. Here they blend theoretical knowledge with real world applications, giving us a head start in our careers. In fact, we've already designed and built our own robot which is one of the many projects on campus.

Mahalakshmi,
B.M.S. (Hons.) Digital Business

Incubation Centre at VU

The VU Centre for Incubation and Entrepreneurship provides an opportunity for the students of BMS programs to convert innovative ideas into viable business plans and useful enterprises. The mentoring and other support systems which will be made Available at the Incubation Centre, will assist the students to translate their imagination into reality while learning theoretical concepts and conceptual models. Interested students will be able to earn sufficient credits to graduate in BMS with specialization in Entrepreneurship.

Message from the Dean

Vidyashilp University is a young educational initiative located in Bangalore and the School of Business and Entrepreneurship offers 4-year undergraduate programs in management under the guidelines of the new education policy. Honours Bachelor in Management Studies (BMS), Honours Bachelor in Management Studies (BMS with Research) and B.M.S., LL.B. (Hons) are options available for students. The school also offers doctoral program in management.

The School of Business and Entrepreneurship endeavors to create an innovative and collaborative learning environment hoping to nurture sensitive, responsive and empathetic business leaders and entrepreneurs for a rapidly changing socio-economic environment, both globally and locally. The learning pedagogy is experiential, case-based, supported by industry interns and stimulated by simulations. Exposure to diverse ideas and thoughts from the multi-disciplinary ecosystem of VU and the opportunity to ideate and create enterprises with assistance from the incubation centre will provide a unique experience of learning by practice.

Happy to welcome you to the School of Business and Entrepreneurship at Vidyashilp University.
